

Berlin, 10. June 2021

Berlin is the venue for the 2022 European Rally, under the motto:  
**STAY CONNECTED**

**Please save the date: 9 – 11 September 2022**

Intensive discussions with other Inner Wheel friends from all our Europe await you, along with a fascinating programme:

- Symposium on the topic Stay Connected, to include concepts for the future of Inner Wheel in every country
- Welcome reception
- Sightseeing in Berlin
- Gala dinner
- Farewell lunch

Please pass this information on to your districts straightaway, so that District and Club Committees can include the Meeting in their 2022 schedules; and why not plan your Club outing 2022 to Berlin for the European Rally?

As your personal representative, I shall keep you up to date with regard to any progress in the preparations, programme and registration procedure for the Rally. I would also like to draw your attention to our website which will be activated within the next few days: <https://iweurorally2022.de>. You can also soon follow us on Facebook, Instagram and Twitter.
