

Dear National Representatives, dear IW-Friends,

Next year we will have again a Cruise for IW-Members, their families and their friends☺ We will start on 10th May in Warnemünde (Germany), and go then to Stockholm, Helsinki, Tallinn and Riga☺

It is a very charming tour in the Baltic sea and I will again try to make meetings with our IW-friends in the wonderful cities we will be☺

Some of you participated already in one or more cruises before, so it would be lovely to meet again☺ Please share the invitation with all Districts, Clubs and IW-members☺

Why an European IW-Cruise?

The cruise is for all European members and for all IW levels

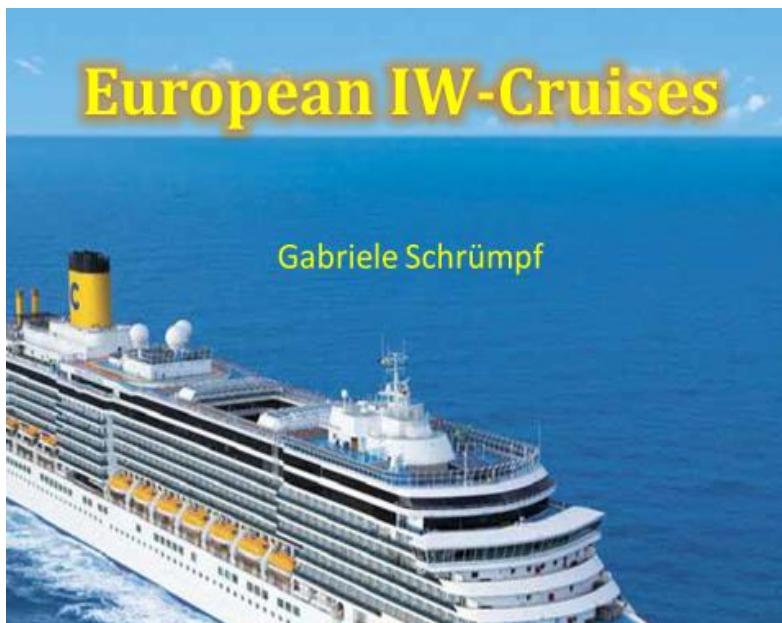

To meet each other and have fun together

Strangers are friends you have not met before

To attend a good sightseeing program

To promote IW-friendship/IW Meeting at Board

To exchange experiences

Greetings to all of you

Love - Gabi

Mit freundlichen Grüßen/With kind regards

Visst låter det härligt med en kryssning i maj 2025?

Vänliga hälsningar,
