IIW District 242 ❧❧ TURKEY

2019

Dear National Representative

It's my honor to invite you to the program of International Rally organised by District 242 Turkey with the participation of IIW President Mrs. Christine Kirby as guest of honor. The program consists of the 4 different episodes, which the details are presented at the link <http://iwinternationalrallyistanbul2019.com/>

In this very special organisation, you will have the chance to attend to one of the most memorable events, ANZAC DAWN CEREMONY, a touchstone of the World War 1 in Gallipoli. Assos, the land, which inspired Homer for his legendary The Iliad and The Odyssey, will welcome you with its statue of Troy Horse and the Temple of Athena. Istanbul, the host city of the 15th IIW Convention, will fascinate you once more with its history & dynamism. At the International Rally, we will exchange ideas, learn new cultures; discuss solutions to help the community with our motto to Empower & Evolve. At the Gala Dinner, we will meet Turkish Rotarians and have the chance to strengthen our friendship. Iznik, famous for hand made tiles and Bursa, the former capital of Ottoman Empire will surprise you with their hidden gems. We will have the chance to participate to the IWC Bursa Charity Event hosted by Disabled Children School.

Dear Inner Wheel Friend, I will be honoured to see you at this Rally and looking forward to hearing from you

In IW friendship
